## INDEPENDENT AUDITORS' REPORT

To the Chief and Council of Yaqit ?a-knuqti'it Social Housing Program

### ***Opinion***

We have audited the financial statements of Yaqit ?a-knuqti'it Social Housing Program (the Program), which comprise:

- • the statement of financial position as at March 31, 2020
- • the statement of operations for the year then ended
- • the statement of changes in net assets for the year then ended
- • the statement of cash flows for the year then ended
- • and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements of the Program, as at and for the year ended March 31, 2020, are prepared, in all material respects, in accordance with the financial reporting provisions of the Section 95 operating agreement, dated March 1, 2014, between Yaqit ?aknuqti'it and Canada Mortgage and Housing Corporation.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Program in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Emphasis of Matter - Financial Reporting Framework***

We draw attention to Note 1(a) to the financial statements, which describes the applicable financial reporting framework and the significant differences between the financial reporting framework and Canadian accounting standards for not-for-profit organizations.

Our opinion is not modified in respect to this matter.

***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of the Section 95 operating agreement, dated March 1, 2014, between Yaqit ?aknuqti'it and Canada Mortgage and Housing Corporation, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Program's 's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Program or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Program's 's financial reporting process.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

Page 3

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Program's 's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Program's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Program to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

See accompanying notes to financial statements.

# YAQIT ?A-KNUQTI'IT SOCIAL HOUSING PROGRAM

Notes to Financial Statements

Year ended March 31, 2020

---

On March 11, 2020, the World Health Organization ("WHO") declared the novel coronavirus (COVID-19) outbreak a pandemic. This has resulted in governments worldwide, including the Canadian government, to enact emergency measures to combat the spread of the virus. These measures, which include social distancing, the implementation of travel bans, and closures of non-essential businesses, have caused material disruption to businesses globally, resulting in an economic slowdown. The situation is dynamic and the ultimate duration and magnitude of the impact on the global economy is not known at this time.

## 1. Significant accounting policies:

### (a) Basis of presentation:

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the Section 95 operating agreement dated March 27, 2012 between Yaqit ?a-knuqti'it and the Canada Mortgage and Housing Corporation ("CMHC"). The basis of accounting used in these financial statements materially differs from Canadian accounting standards because:

- (i) amortization is not calculated on the building, purchased through a mortgage recognized by CMHC, based on the estimated useful life of this asset. Rather amortization is calculated at a rate equal to the annual principal reduction of the mortgage;
- (ii) tangible capital assets:
  - tangible capital assets purchased from prior years' surpluses are expensed to operations in the year the expenditure is incurred, and
  - tangible capital assets purchased from the replacement reserve (note 2) are charged against the replacement reserve account, rather than being capitalized on the balance sheet and amortized over their estimated useful lives;
- (iii) a reserve for future capital replacement is appropriated annually from operations; and
- (iv) a reserve for bad debts or allowance for doubtful accounts is not permitted by CMHC.

# YAQIT ?A-KNUQTI'IT SOCIAL HOUSING PROGRAM

Notes to Financial Statements (continued)

Year ended March 31, 2020

---

## 1. Significant accounting policies (continued):

### (b) Tangible capital assets:

Tangible capital assets are recorded at cost, less accumulated amortization. Amortization is provided on buildings at a rate equal to the principal reduction of the related mortgage. Amortization is provided on equipment using a declining balance method and an annual rate of 20%.

When a tangible capital asset no longer contributes to the Social Housing Program's ability to provide services, its carrying amount is written down to its net recoverable amount with no reversals of such write downs in subsequent periods.

### (c) Replacement of equipment:

A provision for replacement of equipment is provided by an annual expense against revenues earned in the replacement reserve.

### (d) Accounts receivable:

CMHC does not allow or recognize bad debts recorded in the financial statements and will not subsidize rental arrears.

### (e) Revenue recognition:

Rental revenue is recognized in accordance with the terms of the applicable rental agreements, when collection of the relevant receivable is probable, persuasive evidence of an arrangement exists and the rent is fixed or determinable. Subsidy and grant revenue is recorded in the period the amounts are received and related expenditures have been incurred.

### (f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

# YAQIT ?A-KNUQTI'IT SOCIAL HOUSING PROGRAM

Notes to Financial Statements (continued)

Year ended March 31, 2020

## 2. Restricted cash - replacement reserve:

Under the terms of the Yaqit ?a-knuqti'it's agreement with CMHC, the replacement reserve account is to be credited by an amount determined on an annual basis. The amount credited to the replacement reserve account for the year was \$5,400 (2019 - \$5,400). The change in replacement reserve is calculated as follows:

|                            | 2020      | 2019      |
|----------------------------|-----------|-----------|
| Balance, beginning of year | \$ 27,668 | \$ 22,173 |
| Contributions              | 5,400     | 5,400     |
| Interest                   | 124       | 95        |
| Balance, end of year       | \$ 33,192 | \$ 27,668 |

## 3. Tangible capital assets:

|           | 2020         |                          | 2019           |                |
|-----------|--------------|--------------------------|----------------|----------------|
|           | Cost         | Accumulated amortization | Net book value | Net book value |
| Buildings | \$ 1,000,802 | \$ 153,762               | \$ 847,039     | \$ 873,891     |
| Equipment | 9,164        | 7,162                    | 2,002          | 2,752          |
|           | \$ 1,009,966 | \$ 160,924               | \$ 849,041     | \$ 876,643     |

## 4. Advances from Yaqit ?aknuqti'it:

Advances from Yaqit ?a-knuqti'it (Administration Fund) are unsecured, non-interest bearing and have no stated terms of repayment. Yaqit ?aknuqti'it has committed to fund any operative deficit in the Social Housing Program, in accordance with its agreement with CMHC.

# YAQIT ?A-KNUQTI'IT SOCIAL HOUSING PROGRAM

Notes to Financial Statements (continued)

Year ended March 31, 2020

## 5. Mortgage:

|   | 2020              | 2019              |
|---|-------------------|-------------------|
| Mortgage, repayable in monthly installments of \$3,396 including interest at 2.14%, maturing March 2039, secured by a guarantee by Indigenous Services Canada | \$ 636,320        | \$ 663,171        |
| Less current portion  | 27,400            | 27,093            |
|   | <u>\$ 608,920</u> | <u>\$ 636,078</u> |

Scheduled principal repayments over the next five years are approximately as follows:

|      |           |
|------|-----------|
| 2021 | \$ 27,400 |
| 2022 | 27,992    |
| 2023 | 28,597    |
| 2024 | 29,184    |
| 2025 | 29,846    |

## 6. Related party transactions:

Yaqit ?a-knuqti'it collected rents and pays for certain purchases and tangible capital asset additions on behalf of the Social Housing Program. These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

## 7. Financial risks

Unless otherwise noted, that the Social Housing Program is not subject to significant interest rate risk as its mortgage has a fixed rate of interest. The maximum credit risk exposure of the Social Housing Program's financial assets is the carrying value of the asset.
